### **Monthly Updates**

#### **Treasurer -**

In an email Mike had previously reported that the club is on budget with no major concerns.

#### **Membership -**

Vern Tucker reported that there are exactly 1000 members in the club. Of these 1000, 63 members are overdue in their membership but have not yet lapsed, and 44 members have allowed their membership to lapse. The Meetup site has 1150 members, many of whom are not WW members. Since April 18th we have obtained 3 new members for a total of 102 new members in the year.

Guy Shuman reported that he has manually sent 165 reminder cards to lapsed members, resulting in five renewals. Total cost on postage for the "snail mail membership reminder" project was \$62, plus Guy's time and effort.

#### **Chief Editor -**

Dave Ziegler reported that the online [Flat Tyre](#) is printable. Dave reported also that the editors are trying to decide the best software packages to use for creation of the online [Flat Tyre](#)..

#### **Webmaster -**

Mona reported that she has received many compliments on the new look of the club website. She also said that we have analytics in the site which will help us understand how people are using it. Thanks go to Emily Nishihira.

#### **Rides Chair -**

Mindy reported that the LDTs are going great and made a plea for a new Fall Fun Series Coordinator, at which time Robert Sexton volunteered himself to fill the position. Thank you, Robert!

#### **Sequoia -**

There was discussion around volunteering for the Sequoia and whether or not volunteers must be members. Randall will check with Mike about insurance coverage on this issue. Randall and Mindy are going to work out how to get the Sequoia Fiesta ride on the ride schedule.

Randall also reported that registration for the ride is at 62% capacity, slightly less than expected. He gave a general report and he said that overall organization is going well.

**Events Chair -**

Cindy reported that there was a huge turnout for the Spring picnic. She thanked Emily Nishihira and the volunteers, and there were some suggestions for improving it for next year. She also reviewed the social calendar for the rest of the year.

**Old Business**

Christine reported that she made a total of 30 First Aid kits, almost all of which she gave away to WW ride leaders and others.
