

# Guidelines for joining Western Wheelers Club Rides - Updated February 1, 2021

## Western Wheelers Club Rides Now Permitted within Guidelines as noted below

Western Wheelers club rides are permitted in all counties. Rides in San Francisco are limited to riding groups of twenty five (25) people or fewer. Ride leaders will be responsible for splitting riders into multiple groups with staggered starts as necessary to maintain proper social distancing.

## Risks, Privacy and Safety

There is risk in all gatherings, since people without symptoms can transmit COVID-19. Participation in club rides is voluntary. Members assume the full and complete risk that is associated with exposure to and infection by COVID-19 during such participation. Please note that in the event Western Wheelers is asked by the department of public health for a list of riders participating in any club ride for purposes of Covid-19 exposure tracing, Western Wheelers will comply with such requests.

In order to keep our riders safe and stay in compliance with local regulations, the following guidelines are now in effect for all club rides. Ride leaders are being directed to ask riders not in compliance to leave the ride. As we navigate these changes during the ongoing pandemic, club rides will be open to Western Wheelers members only. If you are sick, do not come on club rides. People with COVID-19 have had a wide range of symptoms reported – ranging from mild symptoms to severe illness. Symptoms may appear 2-14 days after exposure to the virus. People with these symptoms may have COVID-19:

- Fever or chills
- Cough
- Shortness of breath or difficulty breathing
- Fatigue
- Muscle or body aches
- Headache
- New loss of taste or smell
- Sore throat
- Congestion or runny nose
- Nausea or vomiting
- Diarrhea

## **Ride Guidelines:**

1. **Riders must maintain a safe distance from each other at all times - minimum of six feet or use the two second rule to determine safe distances** Conditions such as headwinds or downhills may necessitate wider distances. Use good judgment and follow ride leader directives.
2. All riders must have a face covering (eg. mask, bandana, neck gaiter/buff or other without vents) to be worn at the start of each ride and when you encounter a situation in which you are not able to maintain six feet of distance from anyone outside your household (eg. during regroup, red lights, passing other cyclists).
3. Signing up at the start of each ride is mandatory to facilitate contact tracing if a rider becomes ill. The ride leader will take down riders' names. Please maintain a 6' distance from the ride leader and each other at the ride start. If you join the group along the route, please contact the ride leader to be added to the rider list.
4. Riders are encouraged to download routes or print route sheets, if available, before the ride.

5. In order to maintain proper distancing during rides, drafting and pace lines will not be permitted on Western Wheelers rides.
6. No spitting or blowing noses into the air during rides.

Availability of water and restrooms may be limited so plan your intake and distances accordingly.

Hand sanitizer will not be provided by Western Wheelers. Each rider is expected to pack sanitizer, wipes, tissues and any other products required for his/her safety and comfort.
